

EDPcable Custom Cable RFQ Form

Please complete as much information as available. If some fields are not yet confirmed, you may leave them blank and add notes at the end of the form.

1. Customer Information

- Contact Person: _____
- Email: _____
- Phone / WhatsApp / WeChat: _____
- Country / Region: _____

2. Project Overview

- Application / End Equipment: _____
- Project Stage:
 - New inquiry
 - Sampling
 - Engineering validation
 - Trial order
 - Mass production
- Target Date Needed: _____
- Estimated Quantity Needed: _____

3. Cable Type and Application

- Requested Cable Category:
 - RF / Coaxial
 - Data / Signal
 - Power
 - USB / Communication
 - Industrial cable assembly
 - Wire harness
 - Other: _____
- End Use Description:

4. Cable Construction Requirements

- Conductor Material: _____
- Wire Gauge / Size: _____
- Number of Cores / Conductors: _____
- Shielding Requirement:
 - No shielding

- Foil shielding
- Braided shielding
- Double shielding
- Other: _____
- Jacket Material: _____
- Jacket Color: _____
- Cable Outer Diameter Requirement: _____
- Temperature Requirement: _____
- Flex / Bend Requirement: _____

5. Connector and Assembly Details

- Connector A Type / Part No.: _____
- Connector B Type / Part No.: _____
- Terminal / Pin Requirement: _____
- Assembly Process Needed:
 - Crimp
 - Solder
 - Overmold
 - Injection molding
 - Labeling
 - Braiding / sleeving
 - Other: _____
- Length per Piece: _____
- Length Tolerance: _____
- Branches / Breakout Requirement: _____

6. Electrical / Performance Requirements

- Voltage Rating: _____
- Current Rating: _____
- Impedance Requirement: _____
- Frequency Range: _____
- Signal Standard / Protocol: _____
- Special Performance Notes:

7. Compliance and Testing

- Compliance Requirement:
 - RoHS
 - REACH
 - CE related support
 - Customer internal standard
 - Other: _____
- Required Tests:

- Continuity test
- Hi-pot test
- Insulation resistance
- Pull force test
- Functional test
- Other: _____

- Packaging Requirement: _____
- Shipping Label / Barcode Requirement: _____

8. Quantity and Commercial Information

- Prototype Quantity: _____
- Trial Order Quantity: _____
- Mass Production Quantity per Order: _____
- Expected Order Frequency: _____
- Target Price or Budget (optional): _____
- Preferred Trade Terms (optional): _____

9. Reference Files to Attach

- Product drawing or 2D / 3D file
- Existing sample photos
- Connector specification
- Cable structure drawing
- Test requirement or quality standard
- Label, packaging, or carton requirement

10. Additional Notes

Submission

Please send the completed RFQ form and any reference files to:

- Email: info@edpcable.com
- Phone: +86-13076070597
- Website: <https://edpcable.com>

EDPcable typically acknowledges technical and after-sales inquiries within 1 business day.
